

79th UFI Congress - Where is the growth coming from?

The 79th Annual UFI Congress was held between Nov. 6 - 9, 2012, at “the Abu Dhabi National Exhibition Centre” in Abu Dhabi with a record number of over 450 attendees from 55 countries who gathered to pinpoint where there were areas of growth in the exhibition industry, under the theme ‘Where is the growth coming from?’.

In step with the ever-expanding industry in China, UFI members elected their first president from the country - Chen Xianjin of the China Association of Exhibition Centers.

Mr. Chen said, “I have a wish that a year from now when we celebrate the 80th anniversary of UFI Congress in Korea, I can hear our members say that- “thanks to the support and help from UFI, and with the valuable information and services it provides, they successfully overcame negative factors emerging from the complicated and fast-changing situation of the global economy and achieved new progress,”

Four delegates from Bangalore International Exhibition Center (BIEC) – Mr. V. Anbu (Chief Executive Officer), Mr. A. Mukherjee (Principal Advisor), Mr. S. Balasubramanian (Sr. Director & Head - Trade Fairs) and Mr. Ubaid Ahmad (Director - Exhibition & Conferences) represented BIEC at the Congress and seized the opportunity to increase its visibility and promote the brand through extensive networking in the international forum. BIEC was the official sponsor of the UFI dinner. The 80th UFI Congress is decided to be held from Nov. 13-16 in Seoul, South Korea.
